Groundhog Day Activities Kindergarten 1st and 2nd Grade Worksheets This 20-page packet is composed of exciting Groundhog Day NO-PREP worksheets for your students. No matter what Phil does, Groundhog Day always draws big crowds, big fireworks, and flashing cameras. Well, German immigrants, who first came to Pennsylvania in the 18th century, continued to turn to furry seers — though they traded badgers for groundhogs. On average 20,000 shivering citizens participate in Groundhog Day — particularly impressive considering that the Punxsutawney is home to just under 6,000. Another measure of success? The Origins of Groundhog Day Since it marks the midway point between the winter solstice and the spring equinox, February 2 has been an important day throughout history, from the Celts' Imbolc to Christianity's Candlemas, Feast of the Presentation of Jesus Christ, which stems from the Celts' pagan festival. In 1886, this little custom became something larger thanks to newspaper editor Clymer Freas and the Punxsutawney Groundhog Club. Well, if a prediction is wrong, it was clearly the person in charge of translating Phil's Groundhogese, not Phil himself, who messed up. What does that mean? First six words are converted to math problems. Intoxicated on Life. Looking for some Groundhog Day fun. If Phil leaves his burrow and looks at all the people who've gathered around, winter will end soon. These free groundhog day printables are a fun addition to your Groundhog Day theme. More impartial sources boast that Phil has been right 50% of the time over the last decade, with the groundhog's total accuracy ranging between 35% and 40%. While another long winter prediction may be all doom and gloom, that annual boost to the local economy is certainly something to smile about. Read on to find out. Photo Courtesy: Christina Horsten/picture alliance/Getty Images But massive crowds aren't the only way to measure Phil's success. Hidden Message Silhouette Match Mixed Pictures Draw and Color Mazes Odd One O. Some of our favorites include Nova Scotia native Shubenacadie Sam, who, being so far east, gets to make the day's first prediction; Wiarton Willie, an albino groundhog from Ontario; and Staten Island Chuck, who first rose to notoriety in 2009 when he bit then-New York City mayor Michael Bloomberg — and, later, made scandalous headlines again when Mayor Bill de Blasio dropped the critter. According to the Pennsylvania Great Outdoors Visitors Bureau and the Punxsutawney Area Chamber of Commerce, Groundhog Day rakes in over \$1 million every year. MORE FROM REFERENCE.COM Free groundhog day printables kindergarten - Preschool Powl Packets, Free Groundhog Day Hat - Simply Kinder.
